Angela-

EPA is reviewing the Aerovox Phase III. I am assuming MassDEP is looking to issue their response on this by the 30-day timeline – so by September 21st – so I will send you our comments by COB September 9th. We can then discuss any questions or concerns you have related to our comments sometime the week of the 12th. Thank you.

Ginny Lombardo, Chief

Remediation & Restoration II Branch

U.S. EPA Region 1 – New England

Subject: Aerovox Phase III RAP

Ginny, Elaine and Michele,

I just wanted to let you know that the Aerovox Phase III Remedial Action Plan was submitted via eDEP yesterday and is now publicly available on the MassDEP web site (<http://public.dep.state.ma.us/fileviewer/Rtn.aspx?rtn=4-0000601>). As with all Aerovox project submittals, it is subject to review and approval by MassDEP, so there may be changes made before it is truly “final”.

Understanding that there is a lot to digest, we are certainly open to scheduling a time and date to meet with MassDEP and you and discuss the path forward. In the interim, do not hesitate to contact me if you have any questions.

Best regards,

Marilyn
